Last time buy notice for existing TE5 392 Red Phosphorous Fuse Series

Dear Valued Customer,

This is a Last Time Buy notice regarding the existing TE5 392 Red Phosphorous Fuse Series. As stated in the attached PNC, dated July 20th, 2017, last time buy date for the existing product (containing Red Phosphorous) is on or before November 10th, 2017. The last shipment of the current parts will be on or before December 27th, 2017. If you wish to place any additional orders for the exiting product, please do so on or before November 10th, 2017. Any orders placed after this date will be fulfilled with the Red Phosphorous Free version of this product.

Please refer to the attached PCN for additional details.
