Product Change Notification: P-16-013922

PCN Date: 06-DEC-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Conversion kit of product family X-963357-X + X-963267-X to different tool

Description of Changes

Dear customer, we would like to inform you that we initiated conversion kit for products X-963357-X + X-963267-X. It mean that these products will be produced at different tool (machine). New machine features same assembly and inspection process as current. Manufacturing location will remain same (TE Czech rep.) but part will be produced at different machine within same assembly department.

Reason for Changes:

Product improvement. Current production tool is overloaded, we would like to free some of machine capacity. Mentioned products will be produced at tool with lower load. We can improve production flexibility and delivery time to your satisfaction.
