

## Microsemi Corporation

December 20, 2013

### **PDN 148304: Product Discontinuance Notice – LE75181A/LE75181C and LE75183B/LE75183D products**

#### **Description:**

Microsemi is announcing the discontinuance of the following products:

LE75181A  
LE75181C  
LE75183B  
LE75183D

#### **Reason for Discontinuance:**

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

#### **Customer Impact:**

These devices are being removed from Microsemi's product offering and will no longer be available for order after March 20, 2014. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

#### **Last Order Date: March 20, 2014**

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than March 20, 2014. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

#### **Last Shipment Date: June 20, 2014**

Please note that Microsemi will continue to ship last-time-buy orders as requested only through June 20, 2014. Product orders must be scheduled to ship no later than this date.
