PDN 151653: Product Discontinuance Notice for the MT9196 Family

Description of Change:

Microsemi is announcing the discontinuance of the following products:

MT9196AE1
MT9196AP1
MT9196APR1
MT9196AS1
MT9196ASR1

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after September 14, 2015. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Product may be limited in availability. Orders will be supported on a first-come-first-serve basis. Orders for these products will be non-cancelable and non-returnable.

Replacement Parts:

There are no pin compatible replacement devices. Devices similar in function are the ZL38005 and ZL38012. Please contact your local Microsemi Sales Office for more information on these products.

Last Order Date: September 14, 2015

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than September 14, 2015. No new orders will be accepted after this date.

Discontinuance Notice

Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: March 14, 2016

Please note that Microsemi will continue to ship last-time-buy orders as requested only through March 14, 2016. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:

MT9196AE1
MT9196AP1
MT9196APR1
MT9196AS1
MT9196ASR1
