

AKM Semiconductor, Inc.

Notice of transferring assembly location

Document ID : AKMSPK150715B
Product affected : Listed below
Date of notification : 7/15/2015
Type of change : Assembly location (*Only the location changes under the same assembly house.)
Reason for change : Vendor's decision

Detailed description of change:

AKM's assembly house, J-Device (former Amkor Iwate) will undergo a site change within Japan (from Iwate to Oita). The assembly equipment will be transferred, and there is no impact to fit, form or function of our products.
