PCN1086

October 26, 2020

Detailed Description of Change

As part of IXYS Integrated Circuits Division's (ICD) product lifecycle management process, the following Dual Linear Optocouplers have been transitioned to an "end-of-life" (EOL) status:

- LOC210P
- LOC210PTR
- LOC211P
- LOC211PTR

In order to satisfy any continuing requirements for these Dual Linear Optocouplers, IXYS Integrated Circuits Division is offering a non-cancelable last time buy (LTB). Orders for LTB quantities must be received by January 25, 2021, and all LTB product must be shipped by February 26, 2021. Acceptance of last time buy orders is subject to product availability. Once placed, LTB orders cannot be cancelled, rescheduled, or returned.

Suggested replacements for the above devices are the single channel Linear Optocouplers found on our web page:

<https://www.ixysic.com/Products/LinearOpt.htm>

These devices will require a PC board redesign. Our Applications Engineering group is available for consultation.

The PCN number assigned to this action is **PCN1086** and should be referenced in any correspondence related to the change.
