

Product / Process Change Notification

N° 2018-134-A

Dear Customer,

Please find attached our INFINEON Technologies PCN:

Introduction of an additional wafer test at Infineon Technologies (Regensburg) Germany AG for IPRE100 and DPS310/DPS280 products.

Important information for your attention:

- Please respond to this PCN by indicating your decision on the approval form, sign it and return to your sales partner before **28th January 2019**.
- Infineon aligns with the widely-recognized JEDEC STANDARD "JESD46", which stipulates:
"Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change."

Your prompt reply will help Infineon Technologies to assure a smooth and well executed transition. If Infineon does not hear from your side by the due date, we will assume your full acceptance to this proposed change and its implementation.

Your attention and response to this matter is greatly appreciated.

Infineon Technologies AG
