### 2. Change Date:

January 2019

\*Please consult your distributor for shipment times of products with alternative materials.

### 3. Instructions:

Please advise your distributor on the below:

1. Is a 4M change application required?
2. If a 4M change application is required, please provide the required contents for evaluation and sample quantity, as well as anything else required for approval.

**Deadline for response:** August 3, 2018

- If it is not possible to answer by the deadline above, please let your distributor know.
- If we do not receive a response, we will assume that the 4M change application is not necessary.
- Since the SM3 is in evaluation, adjustment with customers will begin after completing evaluation, but please proceed with the above request beforehand.

If you have any questions regarding this matter, please contact your JAE account manager.

Thank you for your cooperation.
